## Center for Public Administration and Leadership

The Center for Public Administration and Leadership provides professional development and networking opportunities for public servants looking to make a difference in their workplaces and communities. To fulfill this mission, the center partners with professional associations and sector experts to design in-depth training based on the real needs of—and challenges facing—public sector leaders. As a result, participants in the center’s broad array of programs—certificates, conferences, and seminars—develop skills and strategies to further their commitment and service to the common good through forward-thinking dialogue about current issues and trends in public service.

## Credit Options

Participants are eligible to earn graduate or continuing studies credit.

Graduate-level elective credits from all certificates may be earned and applied in the School of Business to the Master of Public Administration or doctoral program. Additionally, elective credits may be earned and applied to the Master of Business Administration or Master of Nonprofit Management.

## Scholarships and Discounts

Hamline School of Business partners with many cities, counties, state agencies, and professional organizations to offer scholarships for its graduate degree programs.

10% discounts on all certificates and events are also available.
