Dear American Public Works Association:

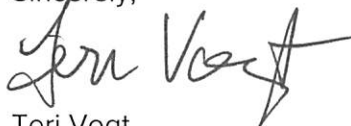

Thank you for your gift of \$2,500.00 to the Science Museum of Minnesota. Your sponsorship of Civil Engineering Day is greatly appreciated.

Since its beginnings, the Science Museum of Minnesota has aspired to create a world in which all people have the power to use science to make lives better. The deep belief that science is an essential literacy for full civic and economic participation in the world has fueled this community for over a hundred years.

Your commitment and dedication to the museum is making an impact that will be felt well into the future and will inspire the wonder of science for generations to come. Your gift makes it possible for people of all ages to experience the world around them in interesting, challenging, and engaging ways.

I am grateful for your partnership and look forward to your next visit to the museum.

Sincerely,

Teri Vogt
Manager, Corporate Partnerships
